*Using 2-3 short sentences, please answer any of the six questions listed below.*

**Why do you want to join Studio 165+?**

**What professional and interpersonal qualities will make you a good fit for Studio 165+?**

**Which is the most interesting project in your portfolio? Why?**

**Have you ever worked with a team? Please provide an example.**

**What would you do if you disagreed with someone's negative feedback about your design?  
This feedback can be from your teammates, mentor, or client.**

**Working within a team, how will you handle multiple projects with tough deadlines?**

**A client has asked you to design a logo without providing any context other than the business name.  
In short, please explain your next steps before you start the design.**

**How do you stay up-to-date with the latest design trends in the industry?**
